

Year 12-13 Students

Powering Potential 2018

Powering Potential is right for you if:

- you study at least two science subjects and intend to study science at a tertiary level
- you have merits or excellences in your studies
- you like to think outside the box and are able to problem solve
- you work well as a team player
- you are a good listener and communicator
- you relish researching new topics
- you enjoy meeting like-minded people
- you like to be challenged

Powering Potential offers you:

- improved skills such as leadership, time management, communicating, resilience, research, planning, teamwork and presentation skills
- an opportunity to be mentored by scientists
- 40 new friends
